Mrs Marshall's Messages:

Thank you for coming and supporting the children during the sports days over the last couple of weeks. The children used their growth mindset as always and tried their best, challenging themselves and were resilient when things may have become difficult.

I would like to extend my thanks to The Boulevard Academy students who were very supportive with the children and helped with the smooth running of each event. It was a pleasure welcoming some of our old pupils back again.

This week we also achieved the Schools Games Gold Mark Award, which is a government-led award scheme facilitated by the Youth Sports Trust to reward schools who show commitment to the development of sporting competition. I would like to thank all staff for helping develop our active lunch times and Mr Gittins for organising sporting events and staff who support clubs, often volunteering their own time after school. A brilliant team effort, well done!

Today's assembly was about the British Value Democracy, Miss Gibson talked with the children about the Junior Leadership Elections that we will take place in September, which made links with the General Election which is taking place next week for adults.

Sports Days at Chiltern

We have celebrated sporting achievements in our sports afternoons this week from Year 1 - Year 6. Well done to all the pupils for using their having a go learning muscles and thank you to all the Chiltern families who joined us to cheer them on!

Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are using their enjoy learning muscles:

4KQ have enjoyed learning about the suffragette movement in history this week.

Year 2 enjoyed learning all about Freetown with Miss Gibson this week in geography.

3LM have enjoyed learning how to bake strawberry cupcakes this week.

Religion or Belief

Learning about and accepting the religions and beliefs of our friends can help us understand one another better and enrich our lives. Friendships can flourish thanks to both similarities and differences.

British Values

Individual Liberty

Our words and actions can have both positive and negative impacts on others. We have the power to make choices that help our friends feel valued.

In the news this week

Singer, Taylor Swift, is in the midst of her Eras Tour, singing to venues all around the world. One superfan has made hundreds of Taylor Swift inspired friendship bracelets to donate to people in care homes. 11-year-old, Devon, came up with the idea to give out the handmade bracelets after seeing how happy her 92-year-old great-grandmother, Margaret, was with the one she gave her. She hopes to inspire all generations to get involved in the bracelet craze.

Things to talk about at home ...

- > Have you ever been to a show or concert? If so, what was it like? Ask someone at home about their experiences.
- > Thinking about your own friends, what is it about them that makes them special? Ask others at home about their friends.
