Chiltern Primary School Weekly Newsletter

Friday 10th January 2025

Vol. 3 Issue 1

Mrs Marshall's Messages:

I hope you are all enjoying the New Year! I want to take a moment to celebrate our brilliant attendance so far this year. This ensures the children can make the most of every opportunity at school.

However, I'd like to remind everyone of the importance of being on time. Please ensure that children arrive between **8:40 a.m and 8:50 a.m** as children start their morning work straight away as soon as they arrive. A settled routine is crucial for our children's learning and their well being. It can be stressful entering a classroom late, when the other children are already busy with their work. I understand that the dark and icy mornings can be challenging, but let's see if this can be a focus this term with everybody being on time. Helping your child leave home a bit earlier can make a significant difference, allowing them to settle in and be ready for the day ahead.

Thank you for your support! Wishing you all a fantastic start to the year.

Upcoming diary dates:

Tuesday 14th January Parent's evening 3:20 - 5:20 pm

Wednesday 15th January Parent's evening 3:20 - 5:50 pm

Every day Counts

Foundation Stage - FKA 98.2%
Key Stage One - 2NR 100%
Lower Key Stage Two - 4CH 99.2%
Upper Key Stage Two - 6BH 98.3%

Well done all of our
Wheel of Fortune
winners this week!

Well done to this
Year 1 child who
won the raffle
prize this week.
391 pupils got
100% attendance
this week!

Reading at Chiltern

At Chiltern we love reading! Children in Foundation Stage and Key Stage 1 enjoy daily Read, Write Inc phonics sessions. In Key Stage 2, the children do shared reading as a class. Books are also read by teachers for enjoyment everyday. We have a well stocked school library that the children visit regularly and can pick books to read at home and share with you. The children get book prizes for completing quizzes showing their understanding of the books they read. Every classroom has a reading corner with books for the children to enjoy. Please ask your child about the books they are reading in school and listen to them read as often as possible. Any questions about reading please ask Miss Gibson (reading lead).

This week's talking task:

TAKEHOME

6th - 12th January

Is it our responsibility to protect local wildlife?

British Values

Rule of Law

There are rules and laws in place to protect and preserve wildlife and their habitats. It is our responsibility to uphold these rules and laws for the benefit of everyone.

Protected Characteristics

The beautiful diversity in birds and wildlife mirrors the diversity within our own communities. By celebrating our differences, we can treat everyone with fairness and respect.

In the news this week

Birdwatch is an annual UK-wide citizen science project held every January, inviting people to gather data to support the work of scientists. Both the Big Garden and the Big Schools' Birdwatch offer people the chance to count birds visiting gardens, playgrounds or school outdoor spaces. This simple activity helps identify bird populations and the most common species. The data collected then helps scientists monitor bird numbers and deduce whether any species are in decline.

Things to talk about at home ...

- > Tell someone at home about Birdwatch 2025. Is it something your household would like to take part in?
- > Discuss with someone at home about your local area and the wildlife found there.
- > Do you know whether there are any schemes in place where you live to protect wildlife or nature?

Winter Feast

16th January 2025
