Mrs Marshall's Messages:

Today we discussed how important it is to have a growth mindset, we have lots of lovely stories in school which promote this for the children. In the assembly we discussed that we can be whatever we want to be, through hard work and never giving up. We talked about different careers that are available and how we will be holding a careers event on the 21st and 22nd November. As part of this we will have a special assembly featuring Otilie, a talented freestyle kayaker. She will share her inspiring journey and discuss how she overcame challenges through a positive mindset.

To help support Otilie's visit, we welcome any donations you can provide. Your contributions, big or small, will be greatly received. We are aiming for £1.70 per child.

Thank you for your support! We look forward to an inspiring assembly next month!

This week's talking task:

TAKEHOME

7th - 13th October

How important are human interactions?

British Values

Individual Liberty

At the moment, all employees have the right to request flexible working. Being aware of our rights and freedoms in the workplace can provide us with balance, fulfilment and enjoyment.

Protected Characteristics

Companies, like Amazon, have many employees. The law protects all employees from being treated unfairly at work.

In the news this week

E-commerce company, Amazon, has told all staff they need to return to the office five days a week next year, ending the option to work from home. In a message to all workers, Chief Executive Andy Jassy said the company expected everyone to be in the office full time (apart from some exceptions) from 2nd January, 2025. Amazon's new policy is very different from the UK government's approach, which is to make flexible working a right for employees, as promised in a new law proposal, due to be announced later this year.

Things to talk about at home ...

- > Do you believe Amazon's decision is fair? Talk to someone at home, do they agree?
- > Do you think you might prefer working from home, or from a workplace with others? Why?
