### Mrs Marshall's Messages:

We are excited to invite you to our Harvest Festival on Thursday 10th October. All children from Year 1 to Year 6 will be there, you are welcome to join in the celebrations.

Please consider donating seeds, compost, or bulbs to enhance our event and inspire our students' love for gardening for the coming year. The children enjoy cooking with the things we grow.

This year, Year 4 will be leading the service, and we look forward to seeing many of you there.

It was lovely seeing you at parents evening this week. Thank you for your continued support.

This week's talking task:

# TAKEHOME

30th September - 6th October

Lin Random House UK, Colin Wright

## How important is it to know about the author behind the book?

Penguin Random House UK, Colin Wright

### British Values

## Mutual Respect & Tolerance

Life is not the same for everyone. By listening carefully to the stories of others, we can understand and get to know one another better.

## Protected Characteristics

The stories of Black people have been oversimplified or overlooked in the past. We should always support others to tell their own stories, whatever their race.

# In the news this week

Book publishing company, Penguin Random House UK, has revealed a new book vending machine at Linlithgow Academy, near Edinburgh, Scotland. The machine gives the pupils access to more than seventy different books from Penguin's 'Lit in Colour' reading lists. The reading lists, set up around four years ago, are updated each year and aim to make works by writers of colour more visible and accessible in schools.

## Things to talk about at home ...

- > Would you like to see a book vending machine in school? Do you think it would be popular?
- > What types of books do you like to read, and who are some of your favourite authors? Ask others at home about their reading preferences.
- > Do you feel it's important to know about the author of a book you read? Is it important to you to read books by authors from different backgrounds and with different experiences? What do others at home think?
