## Chiltern Primary School Weekly Newsletter

Friday 7th June 2024

Vol. 6 Issue 1

### Mrs Marshall's Messages:

I hope you have had a lovely half term break enjoying time with your family. Today in KS2 assembly, Paul came to talk to us about 'One punch ruins lives.' It was really interesting listening to his story and how it underpins our White Ribbon Promise of 'Kind hands, kind feet and kind words.' He talked about the importance of regulating our emotions, our friendships groups, our ego and the choices we make in life which can be positive or negative. We must think about the choices we could make and the impact of such decisions.

I would like to clarify some information regarding our school dinners. Each day we offer the children an option of a hot meal containing meat and a vegetarian equivalent. We also offer the choice of a jacket potato or a ham, cheese, chicken or tuna sandwich. Our chicken and mince meat products are suitable for a Halal diet. Our sausages, ham, bacon and non meat items are not Halal. Moving forward, this information will be added to our school menu when it is next updated. If you have any questions regarding this, please contact the school office.

## Spanish at Chiltern

The aim of our Spanish curriculum at Chiltern Primary School is to foster curiosity, tolerance and understanding about the wider world in order to help the children learn what it is to be a global citizen, as well as providing the children with the opportunity to communicate with each other more effectively.

The children have been learning vocabulary and sentence structure based around a set theme each half term, for instance 'Food and Drink'.

## Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are using their concentration muscles:

2CD have been concentrating in art this week learning about Cubism and Pablo Picasso.

Children have been concentrating on their football skills during active lunches this week.

3LM concentrating while listening to a live lesson about World Ocean Day, hosted by WWF.

Keep Improving Be Cooperative Be Curious Don't Give Up Enjoy Learning Have a Go Imagination Concentrate

## High Expectation Celebrations

At Chiltern we always have high expectations for all. Here are some highlights from this week of pupils demonstrating this.

We have very high expectations at Chiltern so that children can be the best learners that they possibly can be. This means excellent attendance is needed. Parents have a duty to ensure all children attend school everyday. You do this very well as our school attendance is 96.5%. Thank you! Only in very exceptional and unplanned emergency circumstances can parents request the possibility of an authorised absence. Holidays must be taken during school holidays, NOT in term time. This is not an exceptional circumstance. Thank you.

## Every day Counts

Foundation Stage -FAH 99.2%

Key Stage One - 1SB 99.2%

Lower Key Stage Two - 3RH 98.8%

Upper Key Stage Two - 6PC 98.3%

Well done all of our  
Wheel of Fortune  
winners this week!

Well done to this  
Year 1 child who  
won the raffle prize  
this week. 416  
pupils got 100%  
attendance this  
week!

Your child has learnt about this in class this week:

**TAKEHOME** 3rd - 9th June

Can remembering difficult times help shape a better future?

**British Values**

### Mutual Respect and Tolerance

Life is not the same for everyone. Learning about times in the past that others have experienced can help us develop empathy and respect.

**Protected Characteristics**

The events and experiences in our lives and the lives of others (including those beyond living memory) can shape our beliefs. We should never be treated unfairly because of our beliefs.

Sex	Sexual Orientation	Age
Disability	Gender Reassignment	Marriage and Civil Partnership
Pregnancy and Maternity	Race	Religion or Belief

# In the news this week

6th June is the 80th anniversary of the Battle of Normandy, the day in 1944 when Allied forces from thirteen different countries stormed five beaches in Normandy, France. This marked the beginning of the end of World War II. A World War II veteran, Henry Rice, who is 98 and from Surrey, has called for schools to teach children more about D-Day 1944. He believes that by learning about the history of it, they could urge politicians to avoid wars.

## Things to talk about at home ...

- Can you ask someone at home about their awareness of the World Wars? Do they have, or do they know anyone with, memories of the wars?
- This week's poster image shows a tribute to all the soldiers, who lost their lives on D-Day in France. Do you know if there are any local events or tributes to D-Day being held in your local area?
