## Chiltern Primary School Weekly Newsletter

Friday 23rd February 2023

Vol. 4 Issue 1

### Mrs Marshall's Messages:

We have had a great first week back at school after the half-term holiday. The children are working really hard. We have created some new certificates to celebrate the children's hard work. Watch out for them coming home celebrating your children's successes when they have used their learning muscles in their learning.

We also have a new certificate called 'Heart of Gold' for those children who have shown outstanding care and kindness to others in the school.

On Tuesday, a group of children went to perform at the Sheffield Arena as part of Young Voices. The children were outstanding and it was lovely for them to represent our school. Thank you to all involved.

### Upcoming diary dates:

Wednesday 28th February Year 2 Parent Partnership afternoon 2:15 - 3:00 in the school hall

Wednesday 6th March F2 Parent Partnership afternoon 2:15 - 3:00 in the school hall

## Eco Team

Members of the Eco Team attended a meeting at The Boulevard Academy with researchers from University of Hull. They took part in a workshop about our school and their local area. They were looking at Climate Resilience and Net Zero solutions in the local area and came up with imaginative ideas to do this. The researchers took away their ideas away and are working with other representatives from across the city to think about how we can make Hull a more sustainable place to live and work. They are hopefully being put up on display in Humber Street later in the year.

## Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are using their **being curious** muscles:

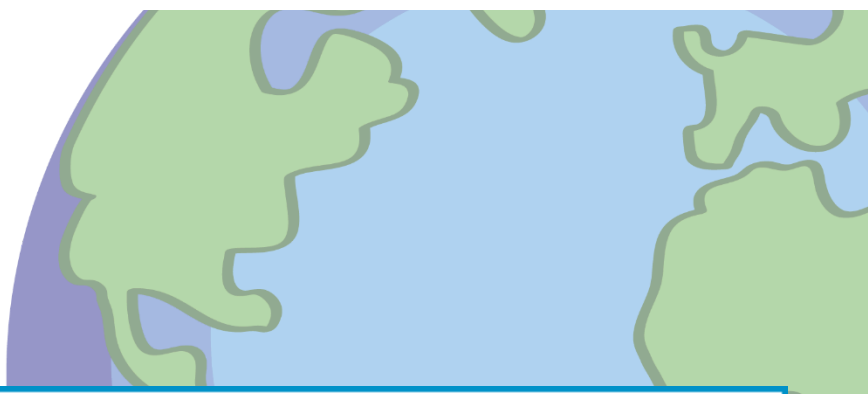

Year 4 were **being curious** about what it means to work together this week.

2CD were **being curious** about the weather in the North and South Poles and the Sahara desert in geography.

Year 1 were **being curious** about which material would make the best umbrella for the class teddy in science.

Keep Improving Be Cooperative Be Curious Don't Give Up Enjoy Learning Have a Go Imagination Concentrate

## High Expectation Celebrations

At Chiltern we always have high expectations for all. Here are some highlights from this week of pupils demonstrating this.

The choir showed high expectations at Young Voices this week. They have attended sessions to learn the songs and behaved fantastically on the night.

These three pupils set themselves high expectations and won a drawing competition. They received prizes from Transwaste this week.

## Every day Counts

Foundation Stage -FS1 99.4%  
 Key Stage One - 1SB 98.3%  
 Lower Key Stage Two - 3RH 100%  
 Upper Key Stage Two - 6PC 96.7%

Well done to this Year 1 child who won the attendance raffle this week. 400 children have 100% attendance this week!

# TAKEHOME

19 - 25 Feb

How important is packaging?

**British Values**

**Individual Liberty**

We have opportunities to choose our food and drink. It is important to consider how these choices may impact things such as our health, the environment or our beliefs.

**Protected Characteristics**

There are many different reasons people choose the food and drink they consume. For some, it will be part of their religion or belief, which affects their life choices and the way they live. Nobody should be treated unfairly because of their religion or belief.

 Sex	 Sexual Orientation	 Age
 Disability	 Gender Reassignment	 Marriage and Civil Partnership
 Pregnancy and Maternity	 Race	 Religion and Belief

# In the news this week

Coca-Cola has announced it will temporarily be removing labels from some of its bottles to trial 'label-less' packaging. The trial will see labels removed from the 500ml Sprite and Sprite Zero bottles and replaced with an embossed logo on the front of the pack. The product and nutritional information will be laser-engraved onto the back. The label-less bottles will be trialled in some shops in London, Bristol, Manchester and Brighton and Hove.

## Things to talk about at home ...

- > Find five different food items at home that have packaging and labels. Have a look at the labels and talk to others at home about what they include. What do you think is the most important information? Do you believe that all the packaging the items have is necessary?
- > In general, do you feel people should do more to reduce the amount of packaging they consume? If so, how?

**IT'S WORLD BOOK DAY!**

**Thursday 7th  
March 2024**

**Dress up as your favourite book character. Book prizes to be won!**

**Vouchers for £1 books will be given out on the day.**

You can also wear your own clothes and bring a book you like to read.
