## Chiltern Primary School Weekly Newsletter

Friday 26th January 2024

Vol. 3 Issue 3

### Mrs Marshall's Messages:

We continued our discussion in the assembly this morning about **Self Responsibility** and how we are responsible for our own actions. The Junior Leadership Team shared their posters about bullying and the difference between this and falling out.

We discussed how kind words, actions and gestures are all really positive towards others; showing love and kindness towards others makes their hearts grow. We watched this little video to aid the discussion: <https://vimeo.com/64940210> . The JLT created some posters that have been put up around the school.

### Upcoming diary dates:

**Sunday 28th January** Choir - Lost Trawlerman's Service at St John's Church 11.45am

**Wednesday 31st January** Year 1 to visit the Streetlife Museum

**Friday 2nd February** NSPCC Number Day in school

**Tuesday 6th February** Cook together, Eat together at The Boulevard Academy 3:15pm

**Thursday 7th March** World Book Day - dress as your favourite book character

**Monday 11th March** Training Day **school closed**

**Thursday 21st March** Easter Celebration at St. John's Church 10:30 am

## Junior Leadership Team

The Junior Leadership worked to create a poster explaining to their friends what bullying is. They said it was deliberate, repeated and targeted. The JLT said that we should all be a good friend and tell a trusted adult if they were being bullied or if they saw someone else being bullied.

Look out around the school for the posters they have made. Mrs Marshall shared them in assembly and discussed what bullying was.

## Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are using their concentration muscles:

3RH concentrating on their music session using the glockenspiels.

Year 1 concentrating on their cutting skills making their own healthy couscous salad this week.

2PM have been concentrating on improving their sentences and reading them to their friends.

Keep Improving Be Cooperative Be Curious Don't Give Up Enjoy Learning Have a Go Imagination Concentrate

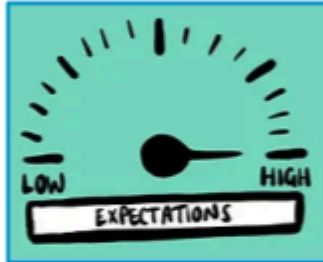

## High Expectation Celebrations

At Chiltern we always have high expectations for all. Here are some highlights from this week of pupils demonstrating this.

4CH showing high expectations earning lots of certificates for reading, handwriting and showing the learning muscles.

High expectations shown this week in year 6 in all their work. The teachers have been super impressed!

## Every day Counts

Foundation Stage -FAH 93.8%

Key Stage One - 1SB 98.0%

Lower Key Stage Two - 4KQ 100%

Upper Key Stage Two - 5JG 99.4%

Well done to this Year 3 child who won the attendance raffle this week. 388 children have 100% attendance this week!

Will self-driving vehicles change our lives?

## Picture News

3

BEST INTERESTS OF THE CHILD

  
**British Values**

### Rule of Law

There are rules and laws that people must follow when driving vehicles. These help keep everyone safe.

As we move into the future, the rules and laws will change. Who is responsible for vehicles in the future may change too!

Motorists in Britain could be completing journeys using driverless cars by 2026 the transport secretary, Mark Harper, has predicted. He believes that fully autonomous vehicles, in which people become passengers in their own cars, will arrive in the UK that year and follow a gradual rollout. The government introduced a bill in a speech by King Charles III that paved the way for autonomous cars, without a safety driver, after pressure from industry, MPs, and Sir Patrick Vallance in his recent review of technology regulation.

### Things to talk about at home ...

- > Do you think you would like to travel in a self-driving vehicle?
- > Make a list of the positives and negatives of self-driving vehicles.
- > Do you believe we will see more self-driving vehicles on the roads over the next few years?

# Number Day 2024

## NSPCC Number Day 2024

Friday 2nd February

Chiltern Primary School are taking part in the NSPCC number day. There are multiple mathematical activities that have been planned to engage your child with Maths and have fun while helping to raise money for the NSPCC.

All children are encouraged to come to school dressed as something mathematical (for example, a t-shirt with numbers on, Roman numerals, quantity of spots etc).

**20p donation  
welcome**
