Chiltern Primary School Weekly Newsletter

Friday 19th July 2024

Vol. 6 Issue 7

Mrs Marshall's Messages:

As the academic year draws to a close, I would like to express my thanks for your support throughout the year. It has been a pleasure working in partnership with you all to create a great learning environment for our children. They have all made brilliant progress both academically and personally and we are proud of them all. We wish our Year 6 pupils all the best as they start their next learning journey at secondary school. We will, in line with tradition, 'clap' them out of the front entrance at 1.50pm this afternoon. Please pick up your children at 1.45pm and join us at the front entrance to say farewell to these children.

This summer I hope you to take time with your friends and families to relax and enjoy time together. We look forward to welcoming both students and families back at Chiltern Primary School on Tuesday 3rd September.

Wishing you a restful and enjoyable summer break.

Upcoming diary dates:

Friday 19th July Gates open 1:45pm

Friday 19th July Ice skating for 100% Attendance 2:30 - 3:30 pm - Hull Ice Arena

Tuesday 3rd September Start of Autumn 1 Term gates open 8:40 am

Hull F.C. Takeover Day

Hull F.C. Foundation came in for the day this week to work with the children on different activities. The sun was shining and we all had a great day!

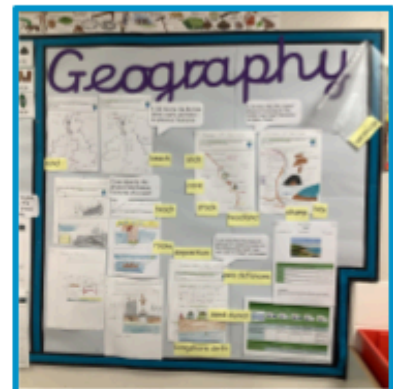

Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are using their be curious muscles:

2CD being curious about what is in Jigsaw Jo's feely bag. They used scientific language to describe them.

6BH being curious about shapes they can create using the Picasso tiles in maths.

Year 3 have been curious in geography this term learning lots about coastlines around the UK.

Keep Improving Be Cooperative Be Curious Don't Give Up Enjoy Learning Have a Go Imagination Concentrate

This week's talking task:

TAKEHOME

Rule of Law

Rules and laws are in place to protect children from harmful work. Adults are responsible for respecting and upholding these rules to keep us safe.

Protected Characteristics

With the right skills and interests, anyone can do any job, no matter who they are. It is illegal to treat job applicants or employees unfairly based on any of the protected characteristics.

In the news this week

Research company, YouGov, surveyed young people aged between 6 and 17 about which jobs they'd like to have in the future. The survey, conducted alongside Great Ormond Street Hospital (GOSH), found that the role of prime minister came in as the bottom choice in the survey, the least popular career option. Almost a fifth (17%) of those asked in the poll picked footballer as their preferred job, with the same amount picking gamer or YouTuber. Gaming is a popular industry, as these choices were closely followed by video game developer at 16%.

Things to talk about at home ...

- > Have you ever thought about what job you might like to do when you are older? Ask someone older at home what they wanted to do when they were younger. Are the responses similar?
- > Why do you think jobs in gaming and sports are such popular choices for young people?

Let's get ready for September!

Red or white polo top

We wear our smart uniforms with pride.

Red sweatshirt or cardigan

Grey or black trousers, shorts or skirt

P.E.
Black shorts, white t-shirt and plain black joggers or leggings
