Vol. 4 Issue 4

Mrs Marshall's Messages:

I would like to say thank you to those of you who have successfully logged on to the new Arbor Parent App. 30% of parents have done this over the last few days. That is fantastic!

The other schools in our Trust, who already use the App have had really positive feedback from their parents as everyone is kept up to date efficiently with all aspects of communication.

If you are having difficulty accessing the App, please pop into the school office next week and they will help you. We hope to have as many people as possible using the App by next Friday ready for the move after Easter.

Thank you for embracing this change.

Music at Chiltern

Year 4 are learning pbuzzers with the music service this year.

Year 5 have been learning to play brass instruments this year.

Year 6 have taken part in a samba workshop recently.

Participation in music is found across Chiltern Primary School, from the first opportunities to create sounds from a selection of instruments to expert tuition of brass instruments provided by Hull Music Service. The pupils have lots of chance to build on musical knowledge and develop exploring and appraising different musical genres.

Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are using their **have a go** muscles:

3LM had a go at making Bronze Age Cookies using an ancient grain flour 'spelt' linked with their history learning.

Year 5 had a go at creating shadows to use in their science investigation.

F2 had a go at retelling The Gruffalo with Carol this week. Ask if they can retell the story at home.

High Expectation Celebrations

At Chiltern we always have high expectations for all. Here are some highlights from this week of pupils demonstrating this.

We have high expectations that all pupils will read at home. If they come home with one of these new stickers please ask them what they are reading!

We have high expectations of supporting health and wellbeing at Chiltern. This includes F2 and Year 1 brushing their teeth.

Every day Counts

Well done to these pupils who got to spin the wheel of fortune this week for a prize!

Well done to this Year 3 child who won the attendance raffle this week. 424 children have 100% attendance this week!

Foundation Stage - FAH 97.5%
 Key Stage One - 1SB 99.6%
 Lower Key Stage Two - 3RH 100%
 Upper Key Stage Two - 6PC 99.2%

Should mobile phones be banned in all classrooms?

 **British Values** 

Rule of Law

Sometimes bans can be put in place, which means something is officially or legally prohibited (disallowed). Rules and laws are there to help protect us and keep us safe.

Protected Characteristics

Our religion or belief can affect if, how and when we choose to use digital technologies. We should never be treated unfairly because of our religion or belief.

 Sex	 Sexual Orientation	 Age
 Disability	 Gender Reassignment	 Marriage and Civil Partnership
 Pregnancy and Maternity	 Race	 Religion and Belief

In the news this week

Ministers have confirmed plans to ban the use of mobile phones in English schools and have released guidance for headteachers. The guidance is not statutory and offers schools different ways of introducing the ban. These include an order to leave all phones at home, handing them in on arrival, keeping them in inaccessible lockers or allowing pupils to keep them, on the condition they are not used or heard.

Things to talk about at home ...

- Share your experience of mobile phones and other portable devices. Do you use them at home or at school? Do you enjoy using them?
- Discuss with people at home your thoughts on the new guidance. Do you all agree that mobile phones should be banned in secondary school classrooms?
