## Chiltern Primary School Weekly Newsletter

Friday 8th November 2024

Vol. 2 Issue 1

### Mrs Marshall's Messages:

I hope you are well! I am writing to inform you about some exciting activities happening over the next two weeks at our school.

Next week is Anti-Bullying Week, and we will celebrate Odd Socks Day too, encouraging everyone to wear brightly coloured, mismatched socks to show our support for kindness and inclusivity. We appreciate your support in making this day fun!

The following week, we will host Careers Days for Year 5 and Year 6, inviting all students to dress up as what they want to be when they grow up. This is a wonderful opportunity for them to express their aspirations. We also look forward to welcoming sport champions visitors who will inspire our students in their athletic pursuits, on this day children can wear white or sports kits to support the sport champions (£1 donation appreciated).

Thank you for your continued support!

This week's talking task:

# TAKEHOME

4th - 10th November

## How can our hopes and dreams help us to succeed?

### Protected Characteristics

Young people have the potential to accomplish incredible things. Our abilities should never be underestimated because of our age.

### Individual Liberty

We have the freedom to choose our own path in life and we take responsibility for our choices.

## In the news this week

A 23-year-old British climber has become the youngest woman to summit the world's fourteen highest mountains. Adriana Brownlee reached the 8,027m peak of Shishapangma in Tibet, at around 8am on 9<sup>th</sup> October. She is only the second Briton to complete the feat, after quitting university to begin a career in mountaineering.

### Things to talk about at home ...

- Share your response to Adriana Brownlee's achievement. Talk about some of the challenges she will have faced and sacrifices she will have made to reach her goal.
- What goals and aspirations do you have for the future? Ask someone older at home about theirs. Have their dreams changed over time? Have they fulfilled any of them?
