Mrs Marshall's Messages:

This week the children have visited their new teachers and classrooms ready for September and parents have also had the opportunity to check in and meet the teachers too. So everybody is now fully prepared for the new school year, which we hope reduces any questions you may have had.

Yesterday, we said farewell to Mrs Roe in our school assembly. At the end of term she retires from her Executive Head Role, after six years of working with us here at Chiltern. The children shared their lovely singing with her, which is always so lovely. Thank you Mrs Roe!

We will also be saying farewell to Mrs Wharf who has worked at Chiltern for 19 Years and has supported many children over the years.

Congratulations also goes to Miss Cebe, Miss Hunt and Miss Smith who are all moving on to develop their careers in other schools. We wish them all luck in their future roles and thank them for all their hard work here at Chiltern.

This week's talking task:

TAKEHOME

8th - 14th July

What is loneliness?

Source: Lucy Young.

Protected Characteristics

Elderly people may be more vulnerable to feeling isolated and lonely. We can be mindful of this so that we may offer help when needed. We all deserve to feel happy and loved.

British Values

Individual Liberty

Anyone can feel lonely, and at times it is hard to reach out for help. We can each make choices to be considerate of others and provide love and support for those who might be feeling lonely.

In the news this week

Supermarket chain, Asda, has launched fan zones for elderly people to enjoy the UEFA EURO 2024 football tournament (the Euros). The idea came about as new research found that over 1.9 million individuals over 65 will be watching the matches alone. Many other places, where people choose to watch the football, can be very busy, with standing space only. The Nanzone spaces have been specially developed with older people in mind, ensuring they have somewhere enjoyable to watch the matches with others.

Things to talk about at home ...

- > Have you been watching the Euros football competition this year? If so, who have you watched with? Who will you watch with? Do you prefer to watch sport and big events with others?
- > Do you think you have to be alone to feel lonely? Is there a time when you have ever felt lonely?
