## Chiltern Primary School Weekly Newsletter

Friday 5th July 2024

Vol. 6 Issue 5

### Mrs Marshall's Messages:

The children are ready to move up to their next classes and meet their new teachers on Monday and Tuesday mornings next week. Year 6 are looking forward to visiting their new schools next week.

I cannot believe how quickly the school year has passed by. We have been looking at the children's work, the progress that they all have made is fantastic! The children have also grown in many other ways over the year, positivity, independence and a growth mindset are key to developing themselves as an individual. Well done to all of our children. I do hope you enjoy reading their reports and finding out about their learning and personal growth. The teachers are looking forward to meeting their new classes next week. Have a lovely weekend.

**Please have a look at home for any home reading books or school library books that need returning for school before the summer holidays. Thank you.**

What does it take to be an Olympian or Paralympian?

### Protected Characteristics

On the world stage of the Olympics and Paralympics, we can celebrate people from all different cultures and continents. We can learn from our differences.

**British Values**

### Mutual Respect and Tolerance

The Games in Paris will bring people together from all over the world. We understand that we are all different in lots of ways, and everyone deserves to be treated with respect.

# In the news this week

This summer, the 2024 Olympics, held in Paris, will run from 26<sup>th</sup> July to 11<sup>th</sup> August, and the Paralympics will take place from 28<sup>th</sup> August to 8<sup>th</sup> September. The Games will see the world's greatest athletes come together in France's capital city to compete for their place at the top of the podium. For many athletes, these Games are the peak of their sport, with a gold medal as the highest accolade. The competitors are likely to have spent months and years training for numerous hours per day to prepare.

### Things to talk about at home ...

- > Share your knowledge of the upcoming 2024 Olympic and Paralympic Games. Ask someone at home to share their experience with you.
- > Will you be watching any of the events? Which sports do you find most interesting and why?
