Junior Leadership Team Pupil Agency

In the Spring term all of the pupils in Key Stage 2 took part in a questionnaire about Pupil Agency. They answered questions around a safe space to have a voice, different ways to have their ideas, opinions and concerns heard, different people to listen to their voice and the changes they can make around school. Our results were once again very strong and the JLT have come up with some ideas with Mr Browning from the development team to make Pupil Voice even better. The JLT gave an assembly to explain these to everyone and ideas included:

- Reminding all pupils who they can talk to in school about an idea, opinion or a concern
- Time in class to give suggestions to their JLT member/s
- Make all pupils aware of which teacher leads each subject

In the news this week

Scottish runner, Jasmin Paris, has become the first female runner to complete what is thought by many to be the world's toughest race. Jasmin is one of only twenty people to have successfully completed the Barkley Marathons in Tennessee, USA. She crossed the finish line in March with less than 100 seconds to spare before the 60-hour cut-off time. Jasmin said she wanted to inspire others and test the limits of her capabilities.

Things to talk about at home ...

- Can you imagine how Jasmin might have felt when she finished the event? Make a list of the different feelings you believe she may have had.
- Can you think of a time when you found something really difficult? Were you able to complete the challenge or task? Talk about the experience and what you learned from it.
